

THOSE WHO MINISTER TO US

We pray for the ministry team and especially for Annie in her Reader training.

We pray for those who have ministered to us in recent years:-

Rebecca
David & Carole
Rachel & Keith
Geoff & Marilyn

MISSION & PASTORAL CARE

We give thanks for our Archbishop's mission "Come and See" which took place in March, and pray that through our ongoing mission many may continue to come to a living faith in Jesus Christ. We give thanks for our Afternoon Tea event, for the Deanery Pilgrimage and other events that took place.

We pray for families enquiring about bringing their children for baptism in all our churches, that these baptisms may take place when the time is right, that God's love may be shown to them, and that their faith may grow.

We give thanks for all the new people hoping to join our congregations, and pray that they may feel truly welcomed. We pray for them all during this difficult time when services are suspended, that we may welcome them fully in due course.

We pray Lord for your blessing to be upon all who are enquiring about a church wedding in the coming months. This is such a difficult time for those hoping to be married this year. We ask you to bless and help these couples, be with them in their preparations and help them in their disappointment as they change their plans.

We pray for your help and comfort for all who are bereaved within our group of parishes and for all funerals taking place at this difficult time. We pray for those conducting these funerals and for all mourners not able to attend. We pray for our local funeral directors.

ALL SAINTS POCKLINGTON

We pray for All Saints Pocklington

We offer to God the ongoing plans for young people in Pocklington, and pray for God's blessing.

We pray for our ministry to older people. We pray for all those who live in Wold Haven and in William Wilberforce. We especially pray for these elderly residents, unable to receive many, if any visitors. We pray for protection for them from the virus.

We pray for the other churches in Pocklington, that together we may know and share the love of Jesus.

We pray for Little Saints, unable to meet at the moment. We pray for your blessing, Lord, on all these families as they learn to live differently at this time. Please protect and help them.

We pray for all the new people who occupy the many new homes in Pocklington.

THE WIDER CHURCH COMMUNITY

We pray, Lord, for your blessing on our Deanery. We pray for the Market Weighton group, the Barmby Moor group, the parish of Wilberfoss, the Garrowby Hill group, the Stamford Bridge group and the Holme-upon-Spalding Moor group.

We pray for Caroline in her ministry within the Market Weighton Group and as our Area Dean.

We pray for Archbishop Sentamu in all he undertakes before retirement, and give thanks for the appointment of Bishop Stephen Cottrell as our new Archbishop.

We pray for Bishop John in his ministry amongst us and for Archdeacon Sam.

We pray for Sue and Carole, working from home, that they may be protected from all harm and given your wisdom in the decisions they make.

We pray for all the schools and all the young people in our area, especially as schools are closed at the moment to most children.

We pray for all churchwardens and PCC members.

APPOINTMENT OF OUR NEW PRIEST IN CHARGE

We pray for guidance as about the future of our group of churches.

We give thanks that the advertisement for our new priest-in-charge is now in place. We pray that you will stir the hearts of any you are calling to consider this post, and that you will guide them and us as we look towards the future.

We pray for the person who will come to lead us.

We place all this process in your hands, Lord, in these difficult days. Help us to trust you. Thank you that you will lead us on the right paths at the right time.

MAY GOD BLESS AND KEEP US ALL AS WE PRAY TOGETHER.
